

OPMPP Research Study Patient Eligibility

Questionnaire

Thank you for your interest in participating in the Opioid and Pain Management in Pharmacies Program (OPMPP) research study. The following statements will be used to help determine your eligibility to participate. Check your responses (True/False) to each of the statements. If you require any assistance, please speak with your pharmacist.

| | True | False |
|--|--------------------------|--------------------------|
| 1. You are at least 18 years of age. | <input type="checkbox"/> | <input type="checkbox"/> |
| 2. You have been in pain for at least 3 months AND/OR you have been taking pain medication for at least 3 months. | <input type="checkbox"/> | <input type="checkbox"/> |
| 3. You are already taking OR about to start taking at least one medication that is an opioid (prescribed or behind the counter). | <input type="checkbox"/> | <input type="checkbox"/> |
| 4. You do not have a pain specialist looking after your pain. | <input type="checkbox"/> | <input type="checkbox"/> |
| 5. You do not have a diagnosis for opioid use disorder (e.g., you are not on methadone or buprenorphine to manage an opioid dependency). | <input type="checkbox"/> | <input type="checkbox"/> |
| 6. You are not a resident of a long-term care facility, transitional care facility or correctional facility. | <input type="checkbox"/> | <input type="checkbox"/> |
| 7. Your chronic pain is not related to active cancer management. | <input type="checkbox"/> | <input type="checkbox"/> |
| 8. You are not in palliative or end of life care. | <input type="checkbox"/> | <input type="checkbox"/> |
| 9. You are not currently pregnant. | <input type="checkbox"/> | <input type="checkbox"/> |
| 10. You are not on a list for joint replacement surgery. | <input type="checkbox"/> | <input type="checkbox"/> |
| 11. You do not have recurring or persistent dental pain requiring surgery. | <input type="checkbox"/> | <input type="checkbox"/> |

If you answered **True** to all the questions above, you are eligible to participate in the OPMPP research study. Please speak with your pharmacist to discuss scheduling your first appointment.

If you answered **False** to any of the questions, unfortunately, you are not eligible to participate in the study at this time based on the study criteria. However, you may be eligible for other professional pharmacy services. Please speak with your pharmacist for more information.

Thank you for your participation and interest in the Opioid and Pain Management in Pharmacies Program (OPMPP) research study.
